How an 18-year-old's fascination became a life-long love affair

From 1966-67 at The University of Nigeria, to 1973-75 with Peace Corps in Sierra Leone, to Blama Preschool Project's mission of building one of Sierra Leone's first preschools from 2008 - 2019, Faith Sorenson Lester shares the story of her life-long love for West African people, the land and their culture.
